**EDITORIAL - TITHE**

We are all aware of how the tithe is calculated as 10% of income. However, how well do we understand the importance of tithing beyond just the percentage? 

The tithe is not only a formulaic way of giving, but it is a spiritual practice. It is an expression of worship and not a form of narration (storytelling style). Most of our questions about tithing, to which he replied that he had not time to answer.
