My name is Amir. I live in Iran and have been listening to your radio program. It has opened my mind, and I want to know more about Jesus. Having other religious books is illegal here, but please send me your book by email and mail. Please cover it with a dark envelope and block out the title so it won't be confiscated.

Adventist World Radio is a media ministry of the General Conference of Seventh-day Adventists. With more than 1,000 radio stations and studios around the world, it is by far the media ministry with the greatest reach. Last year alone, 26 new radio stations were added in different countries.

I'm talking about The 10/40 Window. An area comprised of parts of North Africa, the Middle East, and Asia. All these places are currently closed for missionaries and to the message. But these same places can still be easily reached by radio.

And that is our target.

Since radio knows no borders, no walls, nor limits, it is our duty to transmit love, hope and salvation through sound waves.

SC. **05**

With your help, Adventist World Radio will prepare evangelistic sermons for broadcast in more than 1,000 languages and dialects so that every person on the planet can listen to the gospel message in their language.
