

## Prem's Sacrifice

November 14, 2020

### AUDIO

In a remote town in India, a recently trained doctor named Prem chose to live on a small stipend as a Global Mission pioneer. Before he arrived, there were no Adventists in the region, and the nearest hospital was several hours away.

So Prem decided to use the talents God had given him to serve the town's sick. He transformed his living room into a clinic, where he lovingly teaches the locals how to adopt a wholistic lifestyle. Today, he also treats their illnesses and prays for the heavenly Physician to heal and bless them.

Through Prem's compassionate words and actions, many of his former patients now come each Sabbath to the local church building. There they fervently wait for Prem to finish treating patients in his clinic so he can teach them more about Jesus.

Ellen White says that "Christ's method alone will give true success in reaching the people. The Savior mingled with men as one who desired their good. He showed His sympathy for them, ministered to their needs, and won their confidence. Then He bade them, 'Follow Me.'"—Ellen G. White, *The Ministry of Healing*, p. 143

Global Mission Pioneers sacrifice much to take Jesus to the unreached cities, towns, and villages worldwide and put His method of outreach into action. It is not an easy task! So, they need all the support they can get to continue the mission.

You don't necessarily have to become a doctor and travel to a distant land to be useful in this task. The Annual Sacrifice Offering is a good way to give a special gift to support the work of Global Mission Pioneers.

In some countries, the Annual Sacrifice Offering is collected on November 14. But in most countries, especially those under the Combined Offering Plan, part of the Regular and Systematic offering (which we call "Promise"), and part of all loose offerings, collected at all services, already support the Global Mission Pioneers.

However, if, in addition to your regular offerings, the Lord moves you to still invest more in sharing Him with unreached people, write "Annual Sacrifice Offering" on your tithe envelope or visit [global-mission.org/giving](http://global-mission.org/giving) and select "Global Mission's Annual Sacrifice Offering."

As you return your tithe and give your promise step up to be a valuable tool in the mission of spreading the Father's healing to the places where His children need the eternal cure.

May we put our desires last and God first.
