RETURNING TO THE MONTHLY GOD FIRST NEWSLETTER

For the benefit of our God First newsletter subscribers, we would like to once again remind you of the incredible year-end tithe and tithe-for-tithe results. During the month of December, the General Conference’s Tithe and Tithe-for-Tithe Offering was a tremendous success. A total of $5,000,000 was raised, and we are particularly encouraged by the nearly double the amount of the previous year. This accomplishment is a testament to the power of faith and the committed desires of our church family to give back to God.

For those who have already contributed to the tithe-for-tithe offering, we would like to express our sincerest gratitude. Your generosity is truly a reflection of your spiritual commitment and a testament to the power of faith. We encourage all those who have not yet contributed to do so, as we seek to demonstrate our faith and dedication to God through our financial offerings.

Please consider returning a portion of your annual income to God, as a way to show your gratitude and love for Him. As we look to the future, we hope to continue to see an increase in the donations to this important cause. Thank you for your support and generosity.
