Predestination, Free Will and Security

by Pastor Doug Batchelor

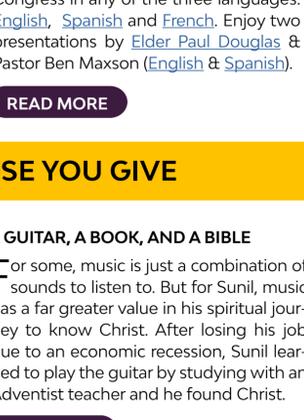

A Cloud of Witnesses presented "Predestination, Free Will & Security" by Pastor Doug Batchelor. Pastor Doug answers several key questions/Free Will & Security of salvation that so many devout Christians are confused about. He points out that any correct understanding of salvation must account for justification (removal of the penalty of sin), sanctification (removal of the power of sin) and glorification (removal of the presence of sin. God intends for all of us to experience these in our lives. He wants all to be saved. But we must claim His salvation. He calls all of us to not harden our hearts to His mercy and grace.

As Stewardship director of the South England Conference, I have reflected on God's faithfulness to His church in this time of crisis, and I am more convinced than ever of the paramount importance of stewardship. GOING DEEPER

The 3-year old felt secure in his father's arms as Dad stood in the middle of the pool. But Dad, for fun, began walking slowly toward the deep end, gently chanting, "Deeper and deeper and deeper," as the water rose higher and higher on the child. The lad's face registered increasing degrees of panic,...

E. G. WHITE'S QUOTATIONS

Security Not in Riches—Many think to find security in earthly riches. But Christ seeks to remove from their eye the mote that obscures the vision and thus enable them to behold the far more exceeding and eternal weight of glory. They...have lost sight of the glories of the eternal world. Christ calls upon them to extend their view beyond the present and add eternity to their vision.—*Sons and Daughters of God*, p. 247.

Rest in Christ—Courtesy of SPD

Restlessness and fear often go hand in hand. Living in a world that keeps most people busy 24/7 can result in restlessness and fear in our lives.
