GOD'S HANDS

"After the hurricane, I didn't want to go home." These are the words of Glorimar, who lost her home and her sense of hope after a devastating storm.

Your gift to the Disaster and Famine Relief Offering today will help people just like Glorimar and her family in countries around the world through ADRA, the Adventist Development and Relief Agency.

Working in more than 130 countries, ADRA is the international humanitarian arm of the Seventh-day Adventist Church. Through your support, they deliver justice, compassion, and love to those in need through community development and disaster response. Last year, ADRA supporters responded to 104 global emergencies, and part of the offering today will travel the world to reach even more people when they need it most.

APPEAL: Today, you can do more than share your dollars. You can honor God by sharing survival, protection, and hope. Your involvement is vital. Your generosity may be used by God to fill empty stomachs and provide comfort to those who have lost everything.

PRAYER: Dear Lord, we raise today's offering up to You. Help us reach those who are starving, those who are suffering, and those who are in crisis. Make Your power known through our humble contributions today, and bring hope and promise to those who need You most today.
